ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in each Electoral District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest Electoral Districts in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

## DOMINION ORDERS IN COUNCIL.

[2285.]

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

MONDAY, the 27th day of June, 1921.

PRESENT:

HIS EXCELLENCY THE DEPUTY  
GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior refers to:—

(1.) Orders in Council dated the 19th day of January, 1914, re-enacted by Order in Council dated the 1st June, 1915, and amending orders, whereby regulations for the disposal of petroleum and natural gas rights, the property of the Crown in Manitoba, Saskatchewan, Alberta, the Yukon Territory, the Railway Belt in the Province of British Columbia, and within the tract containing three and one-half (3½) million acres of land acquired by the Dominion Government from the Province of British Columbia, and referred to in subsection (b) of section 3 of the "Dominion Lands Act," were promulgated; and to

(2.) Order in Council bearing date the 11th day of February, 1921, whereby regulations for the issue of oil and gas permits and leases in the North-west Territories of Canada were promulgated; and to

(3.) Order in Council bearing date the 12th day of April, 1921, P.C. 1191, as amended by Order in Council of the 1st June, 1921, P.C. 1741, whereby regulations for the disposal of timber on Dominion lands in Manitoba, Saskatchewan, Alberta, the North-west Territories, and the Yukon Territory were promulgated; and to

(4.) Orders in Council dated the 1st day of April, 1921, whereby regulations governing the disposal of school lands for grazing purposes in the Provinces of Manitoba, Saskatchewan, and Alberta were promulgated; and to

(5.) Order in Council bearing date the 16th day of February, 1914, and amending orders, whereby regulations for the disposal of grazing privileges in the Peace River tract of British Columbia were promulgated; and to

(6.) Order in Council bearing date the 17th day of February, 1919, whereby regulations for the issue of yearly grazing permits on the available lands in Townships 15, 16, and 17, Range 3, and Township 15, Range 4, west of the 3rd meridian, and Townships 20, 21, and 22, Range 3, west of the 4th meridian, were promulgated:

And whereas in the above connection the Minister states that the required procedure is set forth in each of the above-mentioned regulations in detail so that the matter of issuing the leases or permits, as the case may be, becomes largely one of routine with which the officer in responsible charge of the

branch of the Department is entirely familiar and for which he is held altogether accountable:

And whereas the amount of clerical labour involved in the signing of the aforesaid leases or permits is very considerable and infringes materially upon the time of the Deputy Minister, and it is obvious that the time occupied in the performance of this routine work should be conserved for more important functions:

Therefore, His Excellency the Deputy Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that each of the above-mentioned Orders in Council shall be and the same is hereby amended by adding thereto the following clause:—

"All leases, permits, notices, and other documents, not otherwise provided for, issued under these regulations, shall be signed by the Minister, or by any officer of the Department specially authorized thereto in writing by the Minister."

*Clerk of the Privy Council.*

[2229.]

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

MONDAY, the 27th day of June, 1921.

PRESENT:

HIS EXCELLENCY THE DEPUTY  
GOVERNOR-GENERAL IN COUNCIL.

**W**HEREAS by section 5 of the Dominion "Railway Belt Water Act, 1913," it is provided, among other things, that all water without distinction within the Railway Belt of the Province of British Columbia, as defined in the said Act, shall, during the pleasure of the Governor in Council, for the purposes of administration, be under the exclusive control of the authorities of the Province of British Columbia, and be administered under and in accordance with the Provincial Water Acts, as if the said Acts were enacted by the Parliament of Canada:

And whereas by section 6 of the said Dominion "Railway Belt Water Act" it is provided that the Governor in Council may direct that any Act or portion thereof, passed by the Legislature of the Province of British Columbia after the 3rd day of March, 1913, relating to water in the Province not within the Railway Belt, shall apply to the water in the Railway Belt as if such Act were enacted by the Parliament of Canada:

And whereas by Order in Council of 27th February 1915 (P.C. 369), the British Columbia "Water Act, 1914," was made applicable to the said Railway Belt:

And whereas by Order in Council of 3rd November, 1919 (P.C. 2218), the following amendments to the said British Columbia "Water Act, 1914," namely, the "Water Act Amendment Act" of 1917 (chap. 75, 7-8 Geo. V.); the "Water Act Amendment Act" of 1918 (chap. 98, 8 Geo. V.); and the "Water Act Amendment Act" of 1919 (chap. 90, 9 Geo. V.), were made applicable to the said Railway Belt:

And whereas the Provincial authorities have requested that the 1920 and 1921 amendments to the said British Columbia "Water Act, 1914," be also made applicable to the said Railway Belt, it being desirable that there should be uniformity in the administration of the waters throughout the Province:

Therefore His Excellency the Deputy Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order, and doth hereby order and declare that the "Water Act, 1914, Amendment Act, 1920" (chap. 102, 10 Geo. V.), and the "Water Act, 1914, Amendment Act, 1921" (chap. 72, 11 Geo. V.), shall be effective for the purpose of the administration of the waters within the said Railway Belt, and that the said amendments shall apply, subject to the provisions of the Dominion Railway Belt Water Acts, as if they had been enacted by the Parliament of Canada.

*Certificate of Approval.*

**W**HEREAS the Merrill and Ring Lumber Company, Limited, is a Company incorporated under the "Companies Act, 1897," its objects and powers as set out in its certificate of incorporation published in the British Columbia Gazette of July 11th, 1907, at page 4387, extending to and including the construction or operation of works for the supply or utilization of water:

2. And whereas the said Company on the 8th day of August, 1913, applied for a licence to clear and improve the Jordan River in the Victoria Water District for clearing-streams purpose:

3. And whereas the said Company has, after due notice by petition filed the 2nd day of September, 1914, petitioned for the approval of its undertaking:

4. And whereas the Board of Investigation heard the said petition and the objections filed against the granting of the same:

5. And whereas it has been adjudged that the terms and conditions set out in paragraph 8 hereof be embodied in any licence or licences which may hereafter be issued in respect of the said application:

6. And whereas the capital of the said Company subscribed and paid up is considered sufficient for the purposes of the undertaking hereinafter approved:

7. This is to certify that the proposed undertaking of the Merrill and Ring Lumber Company, Limited, as set out in its said petition (in so far as the same relates to the clearing and improving the bed and banks of Jordan River for the better driving and booming of logs and other timber products and the use of the water of said river for such driving and booming) is hereby approved subject to the terms and conditions of the "Water Act, 1914," and to the following additional terms and conditions:—

8. Any licence or licences which may hereafter be issued in respect of the said application shall be subject to the following terms and conditions, and the same shall be included in and form part of any such licence or licences:—

(a.) The Company shall not construct any railway bridge or any other kind of bridge across Jordan River at or below the booming-ground defined in any such licence or licences:

(b.) The Company shall not, either by means of logs or any boom or booms of logs or otherwise obstruct or interfere with the outlet of the stream, which flows into Jordan River approximately 1,125 lineal feet south of the north-west corner of Section 9, Renfrew District, as long as such stream is being made use of for carrying off the water from the tail-race of the hydro-electric generating plant of the Vancouver Island Power Company, Limited:

(c.) No trees or timber felled on lands on the west side of Jordan River shall be felled into the river. All felling, bucking, and trimming shall be done on land. In carrying on logging operations the Company shall not place any debris in the river or permit any to fall into it:

(d.) All logs upon being placed in the river shall forthwith be properly boomed up by the Company. In the event of the Company refusing or neglecting to boom up any such logs, then the same may be boomed up by the Vancouver Island Power Company, Limited, at the cost of the Company, and the costs and expenses of such booming-up by the Vancouver Island Power Company, Limited, shall, until paid, constitute a charge upon the said logs:

(e.) In the event of any boom of logs or quantity of logs getting loose and forming a jam or interfering with the flow of water in the river, the Vancouver Island Power Company, Ltd., shall have the right to break up or otherwise release the said jam or interference by any means in its power, whether by the use of explosives or otherwise howsoever, for the purpose of protecting its hydro-electric generating plant from any possible flood or other hazard that may arise by reason of such jam or interference as aforesaid. And the Company shall have no recourse against the Vancouver Island Power Company, Limited, for any damages that may be caused to its property through the breaking up or otherwise releasing by it of the said jam or interference:

(f.) The Company shall at all times keep the east bank of Jordan River and of the estuary thereof for a distance of 20 feet from high-water mark free and clear of its logs or booms of logs; nor shall it place or maintain any obstruction thereon for its own convenience, but shall leave the same clear and unobstructed for navigation by the Vancouver Island Power Company, Limited:

(g.) The Company shall not increase the size of its booming-ground without first widening the estuary of Jordan River by excavation or dredging:

(h.) Before the Company shall make any excavation on the west bank of Jordan River or of the estuary thereof for the purpose of enlarging or improving its booming-ground it shall, in addition to submitting plans of such proposed works to the Comptroller of Water Rights for his approval as required by the "Water Act, 1914," also submit the same to the Engineer of the Vancouver Island Power Company, Limited, who, if he considers that the construction of works according to them would be prejudicial to the interests of the Vancouver Island Power Company, Limited, or would endanger its hydro-electric generating plant, shall have the right to appear before the said Comptroller and oppose the approval of such plans.

9. Any licence or licences which may hereafter be issued in respect of the said application shall, notwithstanding the issue of this certificate, be subject to readjustment by the Board of Investigation.

10. The territory within which the Company may exercise its powers, in so far as the same relate to the undertaking hereby approved, consists of Sections 2 and 4, Renfrew District, and the banks and bed of Jordan River abutting on Sections 2, 3, 4, and 9, Renfrew District.

11. The term of any licence or licences which may be hereafter issued in respect of the said application shall be ten years.

12. The works for clearing and improving the bed and banks of the said Jordan River as aforesaid shall be commenced on or before the 1st day of November, 1922, and shall be completed and in actual operation on or before the 1st day of November, 1923.

This certificate shall not in any way be deemed to be an approval of the plans of any works covered by the proposed undertaking, or to authorize the construction of any such works, but shall have the effect only of a certificate issued under the provisions of section 81 of the "Water Act, 1914," and shall be subject to such provisions.

Dated at Victoria, B.C., this 8th day of July, 1921.
